Ayer's Ague Cure, FOR THE SPEEDY RELIEF OF Pever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Billous rever, etc., and Indeed all the affections which arise from malarious, marsh or mini

disease is contracted again. This has made it an accepted remedy, and trusted specific for the Fever and Ague of the West, and the Chilis and Fever of the South.

Ayer's Ague Cure eradidates the noxious poison from the system, and leaves the patien as well as before the attack. It thoroughly expels the disease, so that no Liver Cumplaints, Rheumatism, Neuraigia, Dysentery or Debility follow the cure. Indeed, where Disorders of the Liver and Bowels have occurred from Miasmatic Poison, it removes the cause of them and they disappear. Not only is it an effectual cure, but, if taken occasionally by patients exposed to malaria, it will expel the poison and protect them from attack. Travelers and temporary residents in Fever and Ague localities are thus enabled to defy the disease. The General Debility which is so apt to ensue from continued exposure to Malaria and Miasm, has no speedler remedy.

For Liver Complaints, it is an excellent remedy. PREPARED BY Dr. J. C. AVER & CO., Lowell, Many Sold by all Druggists and Deslers in Medicine

MESSES ALLISON BROTHERS, Memphis, Tenn.:

Gentlemen—I have, during the past season, had in successful operation the "C. C. C." purchased of you. I am greatly pleased with it, and consider it an absolutely indispensable machine in every gin-house. All its claims have been fully sustained, and I think you have not, in the least, exagerated its morits. It certainly takes all the dust and dirt out of cotton, leaving it in a beautiful condition for the work of the gins. Its most apparent benefit is, of course, upon the lower grades, but I believe it will very much enhance the quality of all cotton—the first as well as the last pickings. Yours, truly.
